

CARLOS TORRADO

Grants and Development Consultant

PROFILE: With over three decades of professional experience in education and community well-being programs. I am deeply committed to fostering and inspiring individuals and communities in their journey to appreciate the divine value of being human.

Career Objective: I am eager to contribute my expertise to an organization that shares my values. Together, we can devise solutions that empower individuals and address current socio-economic challenges.

Skills and Abilities:

I possess an above average blend of creative, analytical, spiritual, and social intelligence. Fluent in both English and Spanish, able to inspire others as a motivational speaker and instructor. Possessing digital proficiency extending to MS Office, various applications, and social media platforms.

INTERESTS: I find joy in connecting and socializing with family and friends, experimenting with cooking in the kitchen, exploring the great outdoors and recreational activities, nurturing my garden, and cultivating moments of peace through prayer and meditation.

EXPERIENCE

Consultant *Educere PR Consulting Services* Fajardo, PR
2007 to Present

As an experienced professional, I provide a comprehensive suite of services to nonprofit organizations. This includes grant research, proposal writing, design of socioeconomic wellness programs, strategic planning, marketing, and organizational capacity building. Additionally, I've managed multi-million-dollar housing construction projects funded by Community Development Block Grant Disaster Recovery (CDBG-DR). I work tirelessly to empower NPOs, strengthen communities, and drive positive change through collaborative networks and sustainable practices.

Grants Writer *Hogares Teresa Toda* Loiza, PR
May 2003 to 2007

Provided grant writing services acquiring funding from philanthropic sources on behalf of foster girls and teens living in a group home.
